"We believe that the English translators have misled many by printing **(on their own authority)** the word 'mystery' in large capital letters, thus making it appear that this was a part of 'the woman's name. This we are assured is a mistake. **That 'mystery' is connected with the 'Woman' herself and not with her 'name' is clear from v. 7, where the angel says unto John, 'I will tell thee the mystery of the Woman, and of the beast which carrieth her.'**"

“(3) From among those ten kingdoms there will arise one individual who will have control over the whole dominion of the ten kings (Dan. 7: 8, 24; Rev. 13: 1-10; 17: 13). In gaining his authority three of the ten kings are overthrown. (4) This final authority over the empire is wielded by one who is marked by blasphemy, hatred of God’s people, disregard for established law and order, who will continue for three and one-half years (Dan. 7: 26). (5) This final form of world power will have world-wide influence (Dan. 7: 23).”

Slide 53

Arnold Fruchtenbaum
Footsteps of the Messiah, Page 36

“This stage was seen in both Daniel 2 in the ten toes and in Daniel seven in the ten horns...the One World Government will divide into ten kingdoms that will cover the whole world – not merely Europe. It has become common today to refer to the ten kingdoms as being in Europe only, especially the Former Common Market, now the European Union. But the text does not allow for this kind of interpretation. At the very best, the European Union might become one of the ten, but it could hardly become all of the ten.”

Slide 54

Arnold Fruchtenbaum
Footsteps of the Messiah, Page 36

“A careful reading of the Daniel passage states that once the Fourth Empire rules the whole world, then this One World Government will split into ten kingdoms. This requires the ten kingdoms to cover the entire world, not just the territory known as Europe. It would be a mistake to make too much of the European Union as being the Ten Division Stage. It would be far more consistent with the text to view it as possibly one of the ten, but not the entire ten. More consistent with Daniel’s prophecy is the recommendation of the Club of Rome that the world be divided into ten administrative districts to avoid a world economic collapse.”

Slide 55

“The ‘ten horns’ could represent ten nations of the end times, or perhaps more likely ten divisions of world government that will come into existence. Out of this confederacy will arise the ‘little horn’ or the ANTICHRIST himself empowered by Satan. His control and influence over the peoples of the world will be amazing!”

The Environmental Handbook (1970)

“...let’s look at a few “root” mistakes the old-timers are about to make in the context of their new eco-concern. I use ‘old timer’...to indicate anybody—regardless of age—whose frames of reference are products of OLD TIME, i.e., the industrial revolution phase of history...They are about to initiate massive programs within old frames of centralized authority of the nation. Nations are such an artificial construct from an ecological point of view that any further energies poured into them are almost certain to do more long-term harm than good. Nations...must be phased out as quickly as possible and replaced with tribal or regional autonomous economies...Boycott the words “national” and “international.”

"It is indeed surprising how any mistake could have been made in the identification of this woman. For the Holy Spirit first shows us her very name upon her forehead. Then, in verse 18, He tells us as plainly as words can tell anything, that 'the woman which thou sawest is that great city, which reignest over the kings of the earth', and chap. xvi. 19, as well as xvii. 5, identifies this city with Babylon. God says it is a 'city.' He does not say a system or a religion, but a 'CITY.'"

"Babylon, ecclesiastically symbolized by the woman in Revelation 17, proposes a common worship and a common religion through uniting in a world church. This is destroyed by the beast in Revelation 17:16 who thus fulfills the will of God (Rev. 17:17). Babylon, politically symbolized by the great city of Revelation 18, attempts to achieve its domination of the world by a world common market and a world government. These are destroyed by Christ at His second coming (Rev. 19:11-21)."
