A	Teaching	Baleston, Mottel (Messianic Rabbi) (DVD) Ariel Ministries	<p>The Eight Covenants of the Bible Over six hours of solid Biblical Teaching. Mottel's seminar was recorded live at global headquarters in 2008. God did not choose to give the world His entire written Word at one time. Rather, the writing of the Scriptures occurred over a period of sixteen hundred years. Step by step, the plans and purposes of God were unfolded at specific points in history. Each step of His plan was absolutely flawless. But a comprehensive understanding was not possible for mankind until the entire canon of the Scriptures was finished in John's Revelation.</p> <p>Now man has a complete revelation of what God wants man to know about his character and His plans. It is impossible to make sense of the Bible without a foundation built upon a consistent literal interpretation of the Scriptures. This literal approach forces us to come to grips with God's three covenants with mankind and five covenants specifically with the people of Israel.</p> <p>This study is the perfect complement to Mottel's "The Plan of the Ages" Discipleship Training Series recorded live at Camp Shoshanah in 2008</p>
A	Teaching	Baleston, Mottel (Messianic Rabbi) (DVD) Ariel Ministries - Camp Shoshanah Series	<p>The Plan of the Ages - Over six hours of solid Biblical teaching recorded live during Camp Shoshanah 2008. Throughout history God has dealt with Israel and the Nations in different ways but always on the basis of His Covenant promises for that dispensation of time. The sweep of Scripture becomes clear as the key to the Bible is understood.</p> <p>Professionally edited and divided into chapters corresponding to the teaching outline.</p>

B	Teaching	Worldview Weekend Tele-Productions	Kay Arthur: <u>Sin Will Take You Farther Than You Wanted To Go</u> (personal testimony) <u>Joy and Peace</u> : It's a Matter of the Mind In this presentation, Kay reveals exactly how we are in a battle for truth and how this battle is won by learning to think biblically and loving the Lord our God with all our heart, soul, strength and MIND. Being a student of the Word is the key to winning the battle for the mind. Kay explains the origin of the lie that is battling for our mind and where it will lead if followed. (DVD)
B	Teaching	Worldview Weekend Tele-Productions	Kay Arthur: <u>Standing Firm in the Last Days</u> - Daniel 11:32 tells us that those who know God shall be strong and carry out great things for God even in the face of persecution. Kay looks at Daniel 7:1-18 and 9:24-27, which reveals the 100% accuracy of the Bible through predictive prophecy that has been fulfilled and is being fulfilled even in our own life-time. We have been given a sure word of prophecy and we can know that what the future holds and how God would have us respond if we know His Word. <u>When a Nation Does Not Listen To God</u> - Kay opens up God's Word and walks us through Jeremiah starting with Chapter 25 which should be a warning to America and to all nations that do not listen to God. Jeremiah spent 23 yrs. calling on the people of Judah and Jerusalem to repent from their sins. Jeremiah warned them that if they did not repent they would be overtaken by Babylon as God's judgment on to them. God is looking for men and women that will be as Jeremiah and call people to repentance and understand that God is a righteous Judge and must judge sin. (DVD)

B	Teaching	Worldview Weekend Tele-Productions	Jason Carlson: <u>My Journey In and Out of the Emerging Church</u> - A new dangerous movement is sweeping through the Christian church in America and around the world. David Arthur: <u>Why Bible Prophecy Matters</u> - David examines 2 Peter 3:1-18 and brings incredible application for today's Christian. David takes you into an in-depth study using the inductive Bible Study approach.
B	Teaching	Worldview Weekend Tele-Productions	Dr. Ron Carlson: <u>World Religions: What Makes Jesus Unique?</u> In this presentation Dr. Carlson reveals the unbiblical worldview of Hinduism, Islam, and Animism. He also answers the important question of how do we know there is a God and what makes Jesus Christ so unique in a world of religions? Jesus is the one true God of all Creation. The second person of the eternal Triune Godhead. "Salvation is found in no one else, for there is no other name under heaven given to men by which we must be saved." <u>Why Mormonism Is Contrary to Biblical Christianity</u> - Mormons (The Church of Jesus Christ of Latter Day Saints) teach that Jesus is the spirit brother of Satan. He was once a human being like you and me, but through good works evolved spiritually to become a god. Moreover, they teach that Jesus is just one god amongst a pantheon of gods, all of who were once human and evolved to become gods themselves. These and other Mormon doctrines are in direct conflict with the truth that God has revealed to us in Scripture. <u>First</u> , God has told us that He alone is God; there are no other gods besides Him. <u>Second</u> , God has told us that He is not a man. He is Spirit. <u>Third</u> , God has told us that He has not evolved. He has always been and will always be, the one and only God (Malachi 3:6; Psalm 90:2) (DVD)

B	Teaching	Worldview Weekend Tele-Productions	<p>Dr. Erwin Lutzer - <u>Jesus vs. Mohammed</u> - The task before us is ominous: what should we do about radical Islam and its intention to destroy the church? Muslims---those who take their faith seriously cannot be integrated into Western society, with its emphasis on freedom of religion, respect for the rights of women, and democratic rule. Because Islam is also an ideology; only the church can confront the ideological/theological issues that are involved in this religion. Passivity is not an option so how Christians should respond is one of many questions Dr. Lutzer answers in this timely presentation. (DVD)</p>

Why are the twelve to eighteen months after high school the most dangerous time for a student? What is postmodernism and how do we battle this worldview? How do we define truth? Why is so important that we understand that the Bible is a reflection of the character and nature of God? How can we avoid legalism and liberalism? Why should we love truth and be quick to judge and reject that which is false?</p> <p>Sean McDowell - <u>Truth or Tragedy</u> - Our culture today is facing a crisis of truth. Today 80% of the U.S. population no longer believes in the existence of absolute truth. The concept of universal truth has given way to the post-modern idea that all truth is either knowable or non-existent. And this uncertainty is exacting a heavy price. Even more important, you will want to use it with unbelievers as a tool of evangelism.</p> <p><u>Part Two: Psalm 2</u>: - The King is Coming! God is on His throne. The world may appear to be out of control, but what we are experiencing are the death throes of a worn out world and the birth pangs of a new one. End times may be fearful in nature, but believers can find peace and comfort in the assurance of Psalm 2 that Satan will be defeated and Jesus will triumph as King of kings and Lord of lords. The signs of the times tell us that Jesus is at the very gates of Heaven, ready to return any moment to take His church out of this world. Keep your eyes on Jesus. Live with an eternal perspective. Rest in the confidence that while evil men scheme and Satan plots, God sits on His throne in Heaven and laughs. (DVD)</p>
E	Teaching	Worldview Weekend Tele-Productions	<p>Joel Rosenberg, - <u>Iran, Israel and the Nuclear Crisis: An Evangelical Christian Perspective</u> - Joel is recognized as one of the world's leading experts on the Middle East and Biblical Prophecy. In this timely and easily understood presentation, Joel uses his knowledge and understanding of the unfolding, complicated world events to explain how every individual will be impacted by: The Coming train wreck in US-Israel relations over Iran, How Shia Islamic eschatology is driving Iranian foreign policy and how Washington is missing it, How the N. T. eschatology differs from Shia eschatology (Matthew 24, Ezekiel 38-39, Jeremiah 49), Why all this matters.</p> <p>- <u>The Big, Untold Story in the Middle East</u>: How the media is missing the most dramatic spiritual awakening in human history. He explains that there are 3 groups vying for the hearts and minds of the large middle ground of the Muslim world. These groups include the radicals, the reformers and the revivalists. The radicals are committed to Islam and Jihad. The reformers are committed to Islam and not to Jihad. The revivalists are not committed to Islam but have converted to Biblical Christianity and proclaim that Jesus Christ is the only way. The revivalists seek to evangelize the Muslim world and fulfill the Great Commission. Could it be that the media is not covering this dramatic spiritual awakening because it is not politically correct? Joel explains that if even one of these three groups gains the majority, or a working plurality, the entire world will be changed forever for either good or evil. Joel explains why this all matters, specifically for Christians.</p>

L	Parenting	Answers in Genesis featuring Ken Ham	Already Gone - Why your kids will quit church and what you can do to stop it - If you look around your church today, two-thirds of the young people sitting in the pews have already left in their hearts; soon they will be gone for good. Ken relates some of the shocking statistics presented in the book "Already Gone" that reveal the reason why young people are leaving church and abandoning the faith of their parents. The church by and large is failing to give our children real answers to their questions. Instead we give them Bible Stories and tell them to just "trust in Jesus" while our educational institutions and media outlets undermine their faith with attacks on the Bible and its history. But it is not a hopeless situation. Ken also explains how we can fight back for our children, and what we can do to ground our children in the faith and prepare them for the challenges of the secular world.
